**STANDARD AUTO MAGS**

L. E. JURRAS & ASSOCIATES, INC. are truly the Auto Mag specialists. Lee E. Jurras was founder of the Super Vel Cartridge Corp. and innovator of the first commercially available concept of high performance, high velocity, centerfire handgun ammunition. Scoring another first with the domestic availability of the .357 AMP, .44 AMP and .41 JMP factory loadings as well as in works R&D on various other JMP cartridges; mark the Auto Mag as the newest symbol of hunting handguns. A noted ballistician, pistolsmith, an international handgun hunter and author, Jurras has hunted from Alaska to Africa with the Auto Mag and has taken over 125 head of medium and large game with a handgun. In addition to distributing the standard AMP, L. E. JURRAS & ASSOC., will supply parts and custom accessories; however they truly specialize in custom tune ups and modifications.
